

Trinity Triumph

Trinity United Presbyterian Church

August 2012

As the opening for our July session meeting, the elders took part in a little exercise. I asked them to share the blessings that they encountered as a result of the storms, heat and power outages at the beginning of the month. Yes, there was a lot of destruction and loss, and that is not to be minimized. But that is only a part of the picture. It is easy to get caught up in a spirit of despair and overlook the blessings.

The elders came up with a variety of blessings, many related to discovering or re-discovering the people around us. Our interactions with our neighbors increased. Where we used to nod and say 'hello' became a chance for a long conversation. We couldn't disappear into our own homes to watch TV. Neighbors and friends shared what they could to help each other.

In my own home, without the distraction of TV and computers, we rediscovered board games and worked and played together. We were reminded that we were blessed to have come through the storms with only a loss of electricity. That was an inconvenience compared to what many have lost.

We were blessed that so many workers came from so far to help restore the electricity as quickly as possible. Certainly their work schedules and living conditions made this an unpleasant task, yet they came.

In the same vein, as a church we can count our blessings. It can be easy to fall into the trap of taking a negative view of our situation. Yes, we still have challenges to face. We are still searching for a pastor and our interim has retired. Yet we are still blessed as a congregation. Much is going on at Trinity! We had a successful Vacation Bible School in June, our church picnic in July, the women's retreat, and much more. We are in the middle of an interesting adult Sunday School lesson – come and join in on the discussions!

As you look for blessings within the church, consider too how you are or can be one of those blessings to someone else. Just as we appreciated help from our neighbors after the storm, think of how you can be a blessing to others. Be an active part of your church family!

Unicameral Session Minutes
For June 24th, 2012

On Sunday, June 24, 2012, at 11:50AM we met in the Chapel for devotions led by Elder Tim Patterson. At the conclusion of the devotions and prayer, we moved to the High School classroom for the business portion of the meeting. Our Moderator Rev. Robert Millspaugh called us to order and service. A quorum was not reached with only 7 Elders present.

Clerk's Report: We were unable to meet in May as no moderator had been assigned. Due to the lack of a quorum this month, the elders elected to meet to review the business items, but no action will be taken. All action items will be acted upon at the next session meeting.

The agenda for June 24, 2012 was reviewed along with the minutes from the April 15, 2012 meeting.

Regarding the Pollock Scholarship, for the time being we are suspending our involvement. Funds have not been paid out to the last two recipients. We will revisit our participation when the current issues have been resolved.

- D. On behalf of the Thursday Music Club, Melinda Patterson requests use of the Sanctuary on March 5, 2013 from 7 – 9PM for a meeting of 35 people. The piano will be used for the program.

The facility use requests will be acted upon at the next session meeting.

Moderators Report: We welcome Rev. Millspaugh to his first meeting as our moderator.

Trinity United Presbyterian Church
Session Minutes for June 24th, 2012

2. Lay persons trained to serve Holy Communion be permitted to meet and organize teams to serve the home bound and others unable to come to church Communion.
These motions will be considered at the next session meeting.

The committee reports that the choirs are off for the summer. We are still without a recording system in the sanctuary and the new system is not a stock item. CA House has notified us that the system has been built and will schedule the installation in one to two weeks.

Clem Burton, our organist, has requested that we prepare an 'employment arrangement'. This has been referred to the Personnel committee.

Outreach: The committee received a request for \$100 for water bottles, and for committee members to attend the Fourth of July celebration to pass out water. However, there is no budget for this and the members are not able to attend.

Melinda Patterson's recital went well, with a good turnout. The committee is trying to schedule Mike and Mary Beth Ward in the fall.

Christian Education: No report.

Personnel: No Report

Nominating & Membership: No report

Finance: The monthly finance report was distributed. The balance figure for May was negative.

Missions: The Africa Dresses event was a success and the committee is planning another on July 21st. There will be a Christmas in July event on July 11, 2012. Our church will participate in ServeFest at Kidzville on August 25, 2012.

Youth Committee: The youth have eight different activities to choose from to earn points for tickets to Cedar Point. Each day volunteered equals 25% of the cost. The Cedar Point trip will take place July 29, 2012. The youth will meet at Trinity at 6AM for devotions and then depart for the park. The church picnic is next Sunday, the youth will be working at the picnic.

New Business: Elder Richard Patterson suggested discarding the old worship tapes, some of which are quite old. The original purpose of the tapes was to provide copies to members who were not able to attend the service. These are tapes that were never re-used and have been taking up storage space.

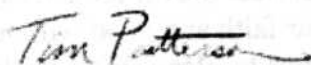

There was also a suggestion to move the portraits of our former pastors from the main hallway into the library. The section where they hang now is of limited space.

Time of Sharing Joys and Concerns: Thanks to God for all the blessings at Trinity. Our worship service is a joy!

The meeting was adjourned and closed with prayer at 1:30 pm by Rev. Robert Millsbaugh, Moderator.

Next scheduled Session meeting is July 15, 2012.

Respectfully submitted,

Tim Patterson, Clerk of Session
